E-Invoice – A Greener Solution

E-Invoice is a safe (password protected), convenient and cost effective way to receive your monthly invoice. If you are not already registered for E-Invoice and would like to receive your monthly invoice electronically, please contact your Customer Service Representative.

Pay your monthly Invoice hassle free!

Members accustomed to paying their Invoice by cheque may want to take advantage of the following options:

- **Pre-Authorized Payments:** Pre-Authorized Payments (PAC) allows your payment to come automatically from your chequing account on the first banking day of the billing period. With PAC you avoid the possibility of missed payments, and eliminate the need of writing a cheque and paying the postage to mail the cheque. All that is required is a copy of a void cheque from the account you wish to have your premiums withdrawn from.
- **Online Banking:** Pay your Western Financial Group Insurance Solutions invoice through most financial institution's online banking services. Click on "Add Payees" and search for "Western Financial Group (Network) Inc." as the company name.
- **TelPay:** Pay by TelPay accesses your chequing or savings account from the financial institution of your choice via Electronic Funds Transfer (EFT). Visit www.telpay.ca to pay your bill now and/or register to Pay by TelPay.
